30 Day Post General Report

Dear Kelli:

We are in receipt of the above notice and reviewed our records and 48 hour report notices.

We ascertained that Mr. Hogan's 48 hour notice failed to be reported because I thought my co-worker had taken care of it and she thought that I had filed the report.

We have taken the necessary steps in the office to assure that it never happens again.

Sincerely,

Pamela Ammerman
